***Cine y...* Revista de estudios interdisciplinarios sobre cine en español / Journal of Interdisciplinary Studies on Film in Spanish** is a scholarly journal dedicated exclusively to the study of film in Spanish. Under the auspices of the Department of Hispanic Studies of Texas A & M University, the journal is published twice yearly.

Cine y... publishes articles, interviews, and book reviews, generally in English and Spanish. As its title, *Cine y...*, suggests, the journal seeks to publish studies which do more than study films in Spanish. *Cine y...* invites studies which look at film **AND** society, history, literature, gender, psychology, etc. To be considered for publication, articles should study f Spanish-language film(s) from an interdisciplinary perspective. Articles and interviews of no longer than 15 double-spaced pages, Word- and MLA style-formatted, should be sent digitally to one of the editors listed below for review by the editorial board.

Submissions and books to be reviewed should be sent to:
